

A hoy matey! This is the free print-and-play version of Aye Sea You!

To play this game, simply follow these 4 steps:

- 1. Print page 2-10 from this PDF on thick paper.*
- 2. Cut out the cards.*
- 3. The Kickstarter version of this game includes 2 eyepatches, one of which has a hole in it. You can create a similar effect of tunnel vision at home:*
 - hold an empty paper towel roll or empty toilet paper roll to one eye as if it were a telescope*
 - cover your other eye with your free hand.*
- 4. Read the rules of the game, and you're ready to go!*

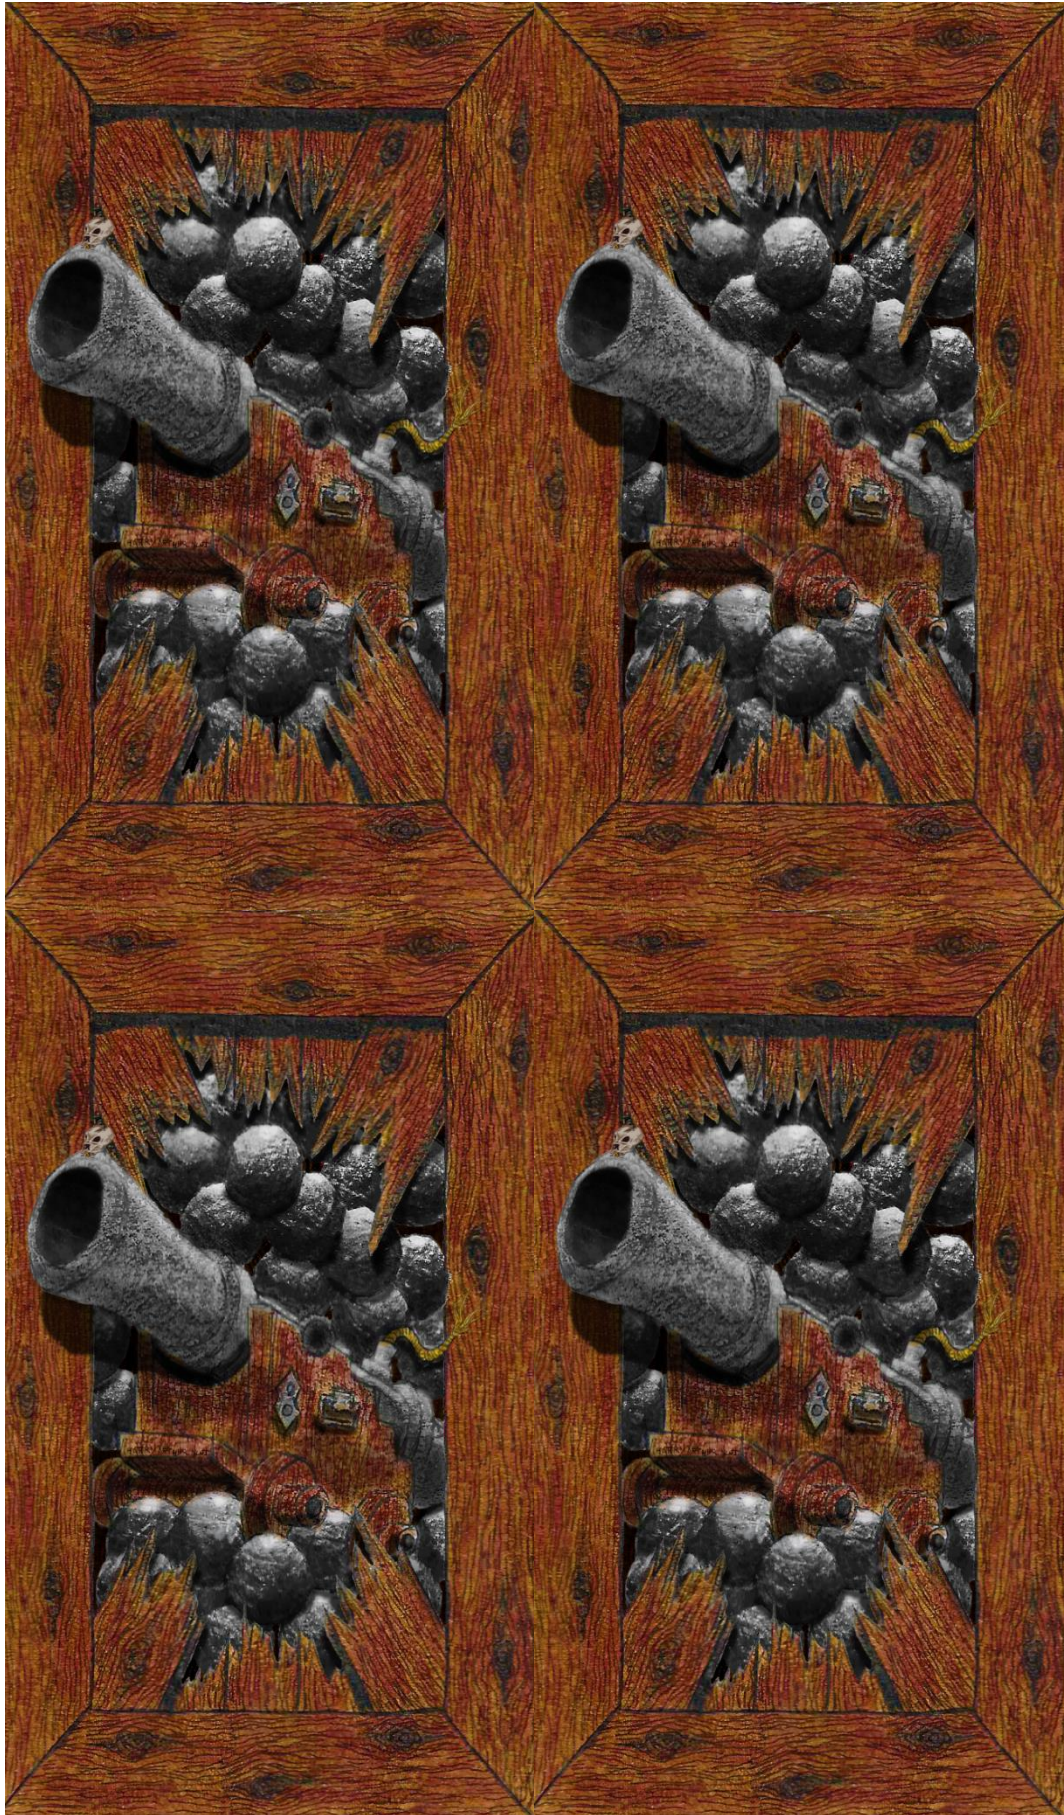

Death Threat

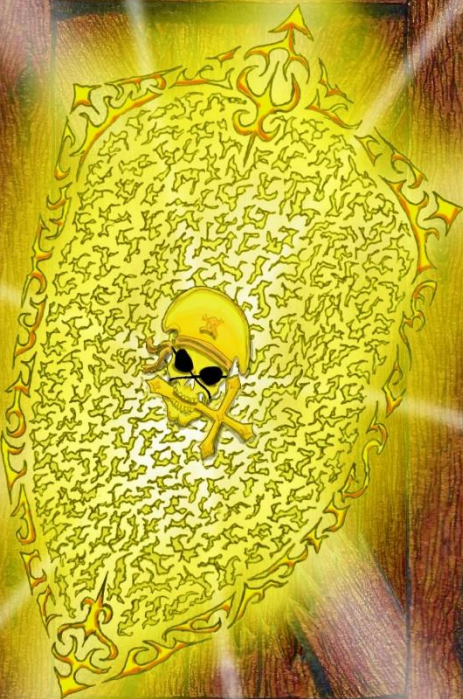

*Reveal this card, then give it to the Captain.
Whenever the Captain shows it to a Crewmember,
that Crewmember must reveal the cards in their hand.*

Explosive Powder

*Reveal this card, then discard it.
Throw all the cards in your hand into the air!*

Holy Shield

*Reveal this card, then discard it.
Instead of being killed, you survive!*

Resurrection Scroll

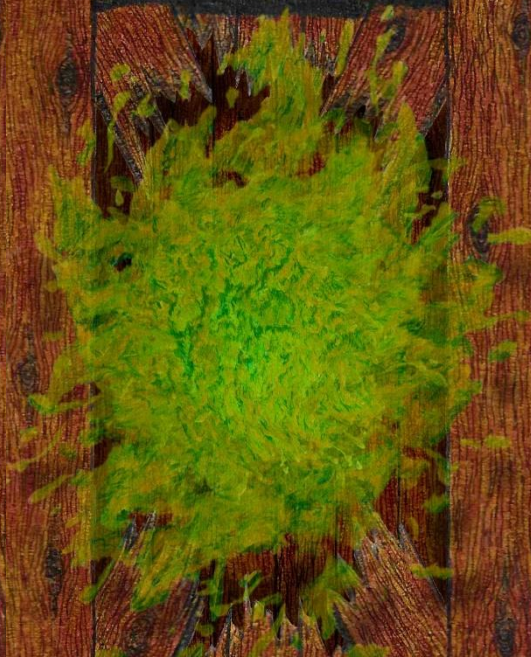

*Reveal this card, then discard it.
Bring another Crewmember back to life!*

Seductive Mermaid

*Reveal this card, then give it to the Captain.
The Captain must stare at this card for 3 seconds,
then discard it. While staring he can't see anything else.*

Ancient Fart

*Reveal this card, then discard it.
The Crewmembers sitting to your left and right
have to hold their nose until the end of the game.*
